The Black Swamp Arts Festival in Bowling Green has been in existence for over 11 years. The festival continues to grow with participants and attendance. Last year the festival had artists from far and wide and national talent on the main stage. A large beer garden surrounds the Main Stage, as well as food offerings. Row after row of tents full of art to behold as well as music to surround you. It's a 3 day event always the weekend after Labor Day in downtown BG. Come eat, drink, and be merry at the 15th Annual Black Swamp Arts Festival!
